

## Burlington Lakers U15 Team Participates in 2007 Regional Championships

The Burlington Lakers U15 team represented Vermont in the Regional Championships in Falmouth, Maine on June 28th – July 3<sup>rd</sup>, 2007. The Lakers landed in a very tough bracket and played the eventual Region 1 U15 Girl's Champion PDA Fire from New Jersey in their first game. After holding them at bay for the first 20 minutes, the New Jersey girl's finally put one in the net. The game ended in a 7-0 loss for the Lakers but they never gave up and should be very proud of their efforts against this talented New Jersey team.

Games two and three against the New York West team from Syracuse and the Massachusetts State Champions were also very tough matches for the Lakers. The Lakers fought through several injuries and a very difficult substitution rule with only 3 subs and ended up with 10-0 losses in both games.

The Lakers represented Vermont well with their determination and spirit and took away many valuable lessons and life long memories from this incredible experience.

**CONGRATULATIONS GIRLS ON AN EXCELLENT TOURNAMENT!**
